

**INCREDIWEAR**

// HOW DOES INCREDIWEAR WORK?

Incrediwear products increase circulation to reduce inflammation & swelling, relieve pain, restore mobility, and accelerate recovery. Unlike compression products, Incrediwear products do not need to compress to work. Instead, our technology incorporates semiconductor elements within our fabric that releases negative ions when stimulated by body heat. The negative ions activate cellular vibrations that increase blood flow and speed. Increasing circulation helps bring more oxygen and nutrients to the target area, which optimizes the body's natural healing process and accelerates post-operative recovery.

RECOVER INCREDIBLY

*Each day is an opportunity for a breakthrough.
Recover rapidly, effortlessly.*

"OVER THE PAST 6 YEARS OR SO I HAVE TRIED NEARLY EVERYTHING TO DEAL WITH ARTHRITIS IN MY KNEES. I HAVE TRIED EVERYTHING FROM PILLS, PRESCRIPTION DRUGS, 3 DROPS OF MIRACLE PRODUCT IN WATER, AND SO ON. AFTER 30 MINUTES OF SITTING, I HAVE TO NEARLY RELEARN HOW TO WALK. I BOUGHT THIS KNEE SLEEVE AND IT HAS BEEN INCREDIBLE. I HAVE COMPLETE RELIEF AND NO MORE LIMPING. MY HIP DOESN'T HURT FROM WALKING GOOFY ANYMORE. BEFORE YOU TRY ANY OTHER PRODUCT AND WASTE MORE MONEY ON THE "MIRACLE CURES", I URGE YOU TO GIVE THIS A TRY. THESE HAVE CHANGED MY LIFE." - David Miller

"I'M A LONG TIME TYPE 2 DIABETIC WITH NUMB AND PAINFUL FEELINGS IN MY FEET. SO HOT AT TIMES THE PAIN IS ALMOST UNBEARABLE. WALKING FOR ANY DISTANCE IS SO PAINFUL I JUST WANT TO SIT. I WORE MY INCREDIWEAR CIRCULATION SOCKS TODAY FOR THE FIRST TIME AND SPENT THE DAY SHOPPING. I RETURNED HOME AFTER A COUPLE OF HOURS WITH LITTLE OR NO PAIN IN MY FEET. THE SOCKS ARE GOING TO BE PART OF MY DAILY ROUTINE FROM NOW ON. THANKS INCREDIWEAR FOR A GREAT PRODUCT." - Dan Wallace

// SLEEVES & BRACES

Incrediwear Sleeves and Braces are scientifically proven to reduce inflammation & swelling, relieve pain, restore mobility and accelerate recovery. Our products have shown powerful results in alleviating postoperative symptoms and improving the quality of the patient's journey to recovery. Our Sleeves and Braces are currently being utilized by some of the top orthopedic surgeons and podiatrists in the United States.

// SOCKS

Incrediwear's line of Socks can be used for a wide range of activities to relieve foot fatigue & pain. Our breathable, moisture wicking design provides maximum comfort to keep you on your feet all day.
